

A close-up photograph of a wedding bouquet and a pair of high-heeled shoes. The bouquet, in the upper right, is composed of numerous light pink and white roses interspersed with small white flowers. Below it, a pair of pointed-toe high-heeled shoes is shown, covered in a dense layer of sparkling sequins. The shoes are positioned diagonally across the lower half of the frame. The background is a soft, out-of-focus white surface with scattered rose petals.

# IT'S ALL IN THE DETAILS!

Chances are that you put a lot of effort into picking out every little detail of your wedding day. From the shoes to the jewelry to the flowers, every little detail tells a piece of the story of your wedding day! The beginning of the wedding day is the perfect time for me to capture all those little details before the craziness of the day starts! So by having all these items gathered ahead of time and ready to go when I arrive, we can ensure that everything is documented without running around the morning of to look for everything! So this document will tell you all the items you'll want to gather together and some tips to make the whole process smoother!

# EXTRA ITEMS

## HEIRLOOMS

Do you have a special heirloom item like your grandmother's wedding ring or a special hankerchief that are a part of your wedding? Include them with your bridal details to be captured!

## STYLING ITEMS

Including extra styling elements that go with your wedding theme and colors like fabric, ribbon, patterned paper or trays can help to give the detail photos a cohesive look that is consistent with the rest of your wedding!

## MRS BOX

Want to display your ring in a gorgeous luxury velvet box that will also serve as an heirloom for future generations? Consider investing in a gorgeous MRS box for your ring! [themrsbox.com](http://themrsbox.com)

## LOOSE FLOWERS

Loose flowers and greenery make such a lovely addition to bridal detail photos! Ask your florist to include some loose florals and greenery with the bouquet delivery!

# SOME HELPFUL TIPS!

## TIP #1

Have the bouquets, boutonnieres and loose florals delivered to your getting ready location 30 minutes before I am scheduled to arrive to ensure they are ready to go when I get there!

## TIP #2

If you had calligraphy or any special lettering done on your invitations, have an extra copy made for me to photograph! You can use a fake address or even the address of your venue!

## TIP #3

Have all 3 rings (engagement ring, bride's band, groom's band) included with your details so I can photograph them all together! Once I am done with them, we can give the bands to whoever is in charge of holding onto them!

## TIP #4

Be sure to also include all the envelopes with your invitation suite so that I can capture the entire design! And feel free to include your Save the Date as well!

and here's a simple no frills checklist that you can print!
